Dear Sir:

In response to the Office Action mailed October 14, 2004 and the Notice of Abandonment mailed May 6, 2005, please revive and reconsider the above-identified patent application in view of the remarks below.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Applicant believes the following is a complete response to the issues raised by the Examiner and that the following amendments and comments place the application into condition for allowance.
